

The Breed's first Champion was **CH. Resy Patricia** in 1925. Breeder was Francois Paril of Switzerland/ Owner was Mrs. Morris Newton.

Back in the 1920s, Westminster was a breed show with both sexes combined and she went Best Of Breed to become our first AKC Champion of record.

The same year (1925) saw our first Working Group win with Ch. Clea Gamundia and our first Best In Show win with Ch. Bella v St. Johannitor (Brookmeade Knls).

Ch. Fred Gamundia was a three time Group winner in 1925. Bred by Paul Krill of Germany and owned by George Sloane (Brookmeade Kennels).

It is interesting to note that in 1925, the Standard Schnauzer and the mini schnauzer were shown together and were part of the newly formed "Wirehaired Pinscher Club". In 1926 we were moved into the Terrier Group .

In 1933 the Miniature Schnauzer Club of America and the Standard Schnauzer Club of America were split into two distinct breed clubs and in 1937 the Standard Schnauzer permanently returned to the Working Group., where it is shown to this day
